### **2009 CRA, HMDA & Fair Lending Forum**

After the Civil War, legend has it that the North donated black paint to help during the rebuilding of Charleston. The residents, not wanting to use the “yankee paint”, mixed 2 parts of the black paint with 1 part “rebel” yellow to make the signature green color seen all over Charleston, even today.

Come to Charleston with us and learn about the current hot topics in the compliance world and maybe just a little bit more. We would love to see you there May 6-8, 2009 so mark your calendars now. Don't forget the free training on May 4 & 5. We will be opening registration soon. For more information in the meantime, call me at 214-778-3033.
