

2008 CRA Data

The 2008 CRA data is now available for download from the FFIEC website. You have 3 days (from the date it became available...tick-tock, tick-tock) to place this information in your public file. You may click to review the original [Press Release](#) or to begin the [download](#) of your disclosures.

Please note that the 2008 HMDA data has not been made public. We will send out an additional notice when that data becomes available.

If you have any questions or need assistance, please contact Noelle Smith at 800-365-4274 x 3033 or by email at noelles@gomarquis.com.

Web-based Training

Register now for our web-based training opportunities. All classes are scheduled for 1 pm Central Time. Classes will run 90-120- minutes. Not sure what your schedule will be this far out? We will send a reminder invitation about a week before each session. Click a class below to register or visit our website at www.gomarquis.com and click Calendar.

*** We will be adding one additional session for the HMDA & CRA Peer Reports once all of the data is released. Watch future newsletters details.*
